

Praying for friends is like bringing them to Jesus.

In your church, who needs your prayers?

Draw a mat around this person. Lift up the paper, just like people lifted up the paralyzed man, and pray for someone in your church who is hurting.

Good job helping.

Friends carried the man to Jesus.

What are some ways church friends can help those who need healing?

If you have ever taken a meal to someone who was sick or prayed for someone who was hurting, it is as if you were bringing someone before Jesus. On the mat below, draw someone in your congregation who you could carry to Jesus in some way. Pray for that person this week.
