

# Unfold God's Love

Jesus tells us that the greatest commandment is to love God with all your heart and to love your neighbors as yourselves. As a reminder of the importance of love, make a string of folding hearts. (Using the space above or below the heart, you can also cut out another shape that reminds you of God's love.) First, fold your paper like an accordion on the dotted lines. Make sure the heart shape is on top. Then, cut around the heart shape, keeping the edges connected. Finally, unfold your set of hearts and decorate them to remind you of God's love!
